

Kellyville Public School

A tradition of excellence and opportunity

14th February 2020

Backflips Against Bullying Show #2

Dear Parents,

At Kellyville Public School every student is "known, valued and cared for". This year, as part of our Kidsmatter Wellbeing Program and our Anti-bullying Plan students from Years 3 to 6 will have the opportunity to participate in a Bullying Prevention Acrobatic Incursion which will be held at school on Monday, 16th March, 2020. This is a brand new show which will have a different focus to last years show.

The all new Bullying Prevention Acrobatic Show presented by Action Education, utilises the incredible acrobatic skills of its performers to captivate and engage audiences in order to spotlight important issues that children face when it comes to bullying and cyber bullying.

The show promises to be hilarious as well as educational. It features awe inspiring acrobatics and stunts, interactive scenes and group activities. It helps to educate victims and empower bystanders to take collective action against bullying and cyber bullying.

Kellyville Public School rejects all forms of bullying behaviours, including online (or cyber) bullying, by maintaining a commitment to providing a safe, inclusive and respectful learning community that promotes student wellbeing. All members of our school community are active participants in building a culture that values diversity and fosters positive relationships. Bullying is not accepted, in both online and offline environments. School staff will actively respond to bullying behaviour and expectations about student behaviour are discussed in class with strategies given to assist students.

The cost of this incursion is \$6.00 per child. The permission slip below **must** be completed and returned to your child's class teacher **no later** than Wednesday 11th March, 2020. Students will be unable to participate if a permission note and payment have not been received.
