Year Two Geography Walking Excursion

Dear Parents/Guardians,

Year Two Students are learning about Australia's location in the world. Students are required to utilise a map to locate significant places in their local area. This will enable them to gain a deeper understanding of the importance of places and develop their mapping skills.

As a class, students will walk along Windsor Road to President Road and return to school via Greenwood Road and Chalet Road, with their class teacher. Students will observe local shops, businesses, roads, houses, schools and green spaces. **Year Two classes will undertake the local area Geography walk on either on a Monday or a Tuesday during Term 1 on a day with suitable weather conditions.**

Please complete the permission slip below and return to the classroom teacher by Friday, 6th March 2020. Your child will not be able to leave the school grounds if a permission note has not been received.
